

# **WHAT'S NEXT FOR BCS?**

## STEP 1

### ENHANCE PARKING LOT

Enhancing the daily driving experience of families by expanding spaces for vehicle movement and parking.

## STEP 2

### TRANSFORM SCHOOL GROUNDS

Transforming our school grounds into vibrant recreational and community-building spaces for students.

## STEP 3

### DEVELOP THE 2ND FLOOR

Develop the second floor of our new building into an exceptional environment for learning & community.

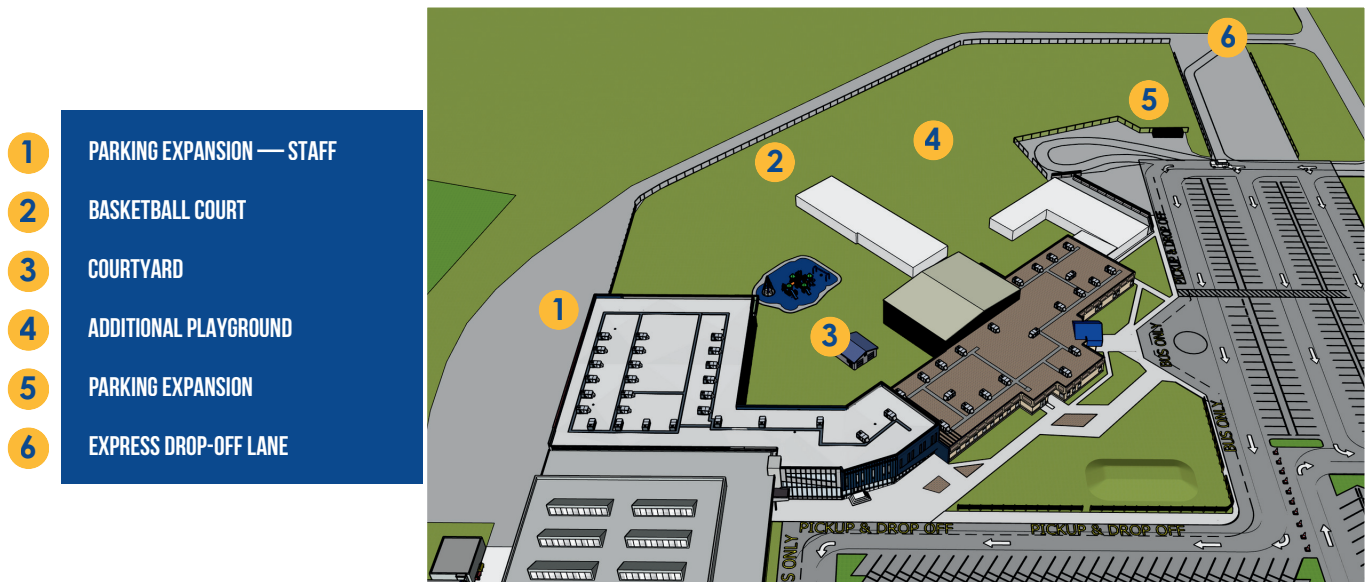

# NEXT STEPS

BCS is enhancing its site and providing subsidized busing to meet the needs from increased enrollment, adding a fourth bus and overflow parking for the 2024-25 school year. We assess busing demand annually to consider adding routes and improve parking lot traffic flow. A new express lane will soon be available for easier exits onto 69th street, along with additional parking at the back of the school. BCS is advocating for traffic controls at the intersection of 69 Street and 144 Avenue, and appreciates families supporting these efforts. Upcoming developments in surrounding communities may also enhance commuting options for families in the future.

## STEP 1 & 2 — ENHANCE PARKING LOT AND TRANSFORM SCHOOL GROUNDS

Taking our next steps forward, we will enhance traffic flow for families and bless students with an adventurous additional playground, a dynamic new basketball court and engaging community courtyards.

## STEP 3 — DEVELOP SECOND FLOOR

Our new building features an unfinished second floor that is brimming with potential! This area will provide students with additional classrooms and new spaces to enhance learning and build community. As the building's shell is already completed, the second floor can be developed incrementally based on prioritized needs.

# GIVING OPPORTUNITIES

We are grateful for families who have generously supported us through online contributions, corporate matching, donations from capital bonds, and gifts of publicly traded shares. Additionally, we are honored to be part of families' estate gift planning.

**Fundraising Goal for  
2025-26 School Year:**

**\$500,000**

This year's fundraising events include:

**ONLINE AUCTION**

November 20 - 23, 2025

**BCS GALA**

February 21, 2026
